3,180 ft

Why the CJ3+

The CESSNA CITATION CJ3+ jet delivers superior, unparalleled reliability without sacrificing productivity and comfort. It's the perfect combination of range, speed and operating economics supplying you with the best ability in high and hot airports while enjoying longer maintenance intervals.

With the CJ3+ jet, standard features go above and beyond the rest with seating for up to nine passengers and 1,000 pounds of baggage capacity. A belted lavatory and TCAS II come in every aircraft along with options for phone and internet capabilities in the cabin.

With upgraded flight deck power by GARMIN G3000 avionics, operating this single-pilot certified jet feels intuitive; it's fueling the passion for flight in pilots and passengers alike. You can count on this jet to take your business and personal travel to new heights.

Why CJ3+ N825MD

N825MD has been maintained to the highest standard by Cessna Service Centers since new. The aircraft has been owned and operated by one US owner and has been enrolled on the TAP Blue engine program and the Cessna Pro-Parts program since new. Just a few of the many highlights N825MD offers is the AVANCE L3MAX WIFI, Synthetic Vision Technology (SVT), R/H Refreshment center with Exchangeable Side-Facing Seat, Clairity Wireless, Garmin Iridium SATCOM Telephone, TAWS Class-A, Turbulence and Doppler Weather, CPDLC for LINK 2000+ and FAA DATA COM, ADS-B OUT, ADS-B IN, Ground Clutter Suppression (GCS), and Turbulence Detection.
